CAR WASH

Beam A to Joint C” piece of furniture you care to toss at them. They’ll even assemble home gym units, meaning you’re that much closer to having that Bowflex machine you’ll try for a week, then use to toss your jacket on.

GREEN ARCHITECT / RE:VISION ARCHITECTURE

133 Grape Street, 215-482-1133, revisionarch.com

Their corporate mission statement says they’re “committed to revisioning and restoring the balance between natural and built environments.” Talk about honoring your commitment: The firm’s work is a perfect blend of modern architecture, environmental awareness and style. Need proof? Stroll around the 45,000-square-foot roof garden atop the PECO skyscraper, a monument to how to “go green” and still wind up with kick-ass design.

CAR WASH / PARK & POLISH

220-24 South Broad Street, 215-790-0906, parkandpolish.com

Their \$25 hand wash includes a dashboard cleaning and an interior vacuuming that will suck up all those crumbs the kids leave in the backseat. And if you miss that “new car smell,” you can splurge on the \$200 Royal Treatment package, which includes a Vaportek odor-elimination system to bring back that just-off-the-showroom-floor aroma.
